We provide Private Office Space, Co-Working, Project Space, Bespoke Turnkey Solutions, Virtual Office Services, Meeting Room Hire, and Workspace Recovery.

We deliver world-class facilities, epic client experience and transparent affordability, creating unsurpassed workspace environments across the Perth Metro area.

World-class Facilities

Liberty provides state-of-the-art technology and inspiring interior design creating a world-beating workspace environment for today's businesses.

Epic Client Experience

The Client Experience Team, or Liberators, are here as an extension of your team, to manage the day to day allowing you to focus on your business.

Transparent Affordability

Liberty has simple, straightforward, easy to understand pricing. We keep all ad-hoc charges to a minimum so you can feel secure knowing there are no surprises.

Choice of 6 Perth Metro Locations

Liberty Flexible Workspaces are in six prominent locations across Perth CBD, West Perth, Burswood, and Joondalup. We have exciting and ambitious growth plans and expect to add Applecross, Fremantle, Mandurah and the Western Suburbs in the near future.

Virtual Offices

We believe that in business first impressions are incredibly important. A recognised business address with a professional personalised phone answering service by our local Client Experience Team can create the kind of perception your business deserves.

Bespoke Solutions

If your business needs an office designed and branded your way – but you are grappling to find the time to locate and project manage it – and you want ongoing support so you can focus on your core business, our Bespoke Office Solution could be the answer.

Meeting & Event Spaces

If you need to hire a meeting room, or a training room, a board room, or a function room we take care of all the details so you can focus on your commercial objectives. Our comprehensive meeting rooms for hire offer first-class locations, facilities and impeccable service.

Project Spaces

Fully furnished, self-contained open-plan 'Project Space' accommodating up to 80 people at a COVID-Safe almost 6sqm per person.

Coworking

Liberty offers flexible coworking spaces for professionals seeking permanent or casual workstations in a shared office environment combined with corporate facilities. Collective surroundings facilitate a collaborative environment, which is further enhanced by events and other networking opportunities.

Workspace Recovery

Liberty's Business Continuity Solutions provide protection from major disruption from disasters such as fire, flood, storm damage, earthquake, or viral epidemic, Interstate lockdown, cyber-attack, crime, or terrorism.

Private Offices

Secure and exclusive office spaces for up to 50 workstations offer incredibly flexible terms with no long-term commitments and a single monthly fee. Private offices are fully furnished and include the use of facilities, including reception, breakout areas, private phone booths, lounge areas, kitchen, and bathroom facilities.

Landlord Solutions

Liberty works with landlords to activate space and generate income within their buildings. Landlords leverage Liberty's expertise to differentiate their offer, with higher than market returns. The structure of our partnership agreements is flexible. We work with landlords to try and identify a structure that works for both parties.

Virtual Offices

We believe that in business first impressions are incredibly important. A recognised business address with a professional personalised phone answering service by our local Client Experience Team can create the kind of perception your business deserves.

A Virtual Office provides the ideal solution for companies that do not have a current requirement for a full-time office but do need to present a professional image to the corporate world, clients, and suppliers.

With a Virtual Office you'll enjoy the freedom to work anytime, any-place, and anywhere - without the associated costs of renting office space or employing a receptionist.

Meeting & Event Spaces

Our locations across Perth Metro have a range of rooms to hire for interviews, board meetings, classrooms, computer training and corporate events combine prestigious locations, world-class facilities, all-inclusive pricing, and affordability that can help your business flourish.

The Liberty Training & Conference Centre at 197 St Georges Terrace provides businesses a self-contained state-of-the-art facility for conferences, training and corporate events, in an incredibly convenient Perth CBD location.

The Training & Conference Centre has 9 meeting rooms for hire from 2 people up to capacities of 200 people in a cocktail style event.

Coworking

Liberty offer flexible coworking spaces for professionals seeking a collaborative hot desking or shared office environment combined with corporate facilities.

We have a limited number of permanent workstations available for full-time members, complemented by shared workstations for members that only need to use the shared office space and hot desks occasionally.

A coworking office solution is perfect for anyone looking to get established with a Perth Metro office address, at an extremely affordable rate. It's a great facility for a start-up that's looking to improve productivity or a corporate client looking for convenient location and collaborative environment for project teams, or off-site tasks.

Private Offices

Secure and exclusive office spaces for up to 50 workstations at a simple and single monthly license fee offer incredibly flexible terms with no long-term commitments.

Private offices are fully furnished and include the use of facilities, including reception, generous breakout areas, private free-to-use phone booths, lounge areas, kitchen and bathroom facilities.

Aside from having a secure and exclusive office space, the attraction of a Private Serviced Office is that for a simple and single monthly payment you get a fully furnished office suite and use of the facilities and features that Liberty provide.

Bespoke Solutions

If your business needs a new office, designed and branded, but you are grappling to find the time to locate and project manage it, our Turnkey Office Solution could be the answer.

Liberty has extensive experience in sourcing locations for offices, fitting out, furnishing and setting up IT infrastructure and facility management, and we can help you do the same.

A Turnkey Office is a cost-effective and custom designed office solution with a layout matched to a business' own specifications, that is sourced, secured, fitted out and managed by Liberty. All you need to do is 'turn the key'.

Our expert consultancy team are able to find and secure a suitable office location and then manage the entire process including a custom fit out and, if required, your own company branding.

With everything organised by us, you are free to focus on your business.

Workspace Recovery

Disruption from fire, flood, storm damage, earthquake, or viral epidemic, interstate lockdown, cyber-attack, crime, or terrorism could cause irreversible damage to your business operations.

A Business Continuity Solution plan includes fully-furnished workspaces, pre-configured, corporate-grade data connection to allow for instant connectivity, facilities management, technical & comms support, access to meeting rooms, printers, scanners and photocopiers, free PC/ laptop storage and rehearsal days.

Project Spaces

We provide fully furnished, self-contained open-plan 'Project Spaces' across our network. Immediately available on flexible lease terms we have spaces for up to 80 people.
